The demo program is a great way to try before you buy. The cost of the demo is a total of \$150.00 (75 for the demo and 75 for shipping) You are responsible for the return shipping costs. Once you receive your demo saddle you have 14 days to to ride as you wish, as it is a used saddle you do not need to worry about minor wear and tear, dirt, hair etc.

Demo saddle availability depends on what is in stock and available, we strive to have several styles available. If you have any questions or need more time for your demo please e-mail or call us. When you get ready to ship the saddle back you do not need to clean the saddle or wash the pad, we will take of that. Just make sure you get the tracking info. If you decide to buy a new saddle after your demo fee, \$75.00 spent on the demo will be credited toward your new purchase. You are responsible for the shipping costs both ways. Please ship saddle to the address below. Please insure it for the full value of your package and provide the tracking to sallyssaddles@hotmail.com
